What we do

We are a registered 501C3, mostly of volunteers, raising funds through circles of friends in such a way to send 95% of every dollar to "Fondation St Luc" in Haiti.

In Loving Memory
Raphel Louigene 1982 - 2023

25 years of full hearted service to the
poor of Haiti, Fondation St Luc

How we miss you, Rapho.
Pray for us!

Looking ahead with vision

As a faith-based organization of the Christian tradition, and with no desire to impose beliefs or require membership, we believe God's word is lifegiving and works done in God's name bear lasting fruit and lay the groundwork for well being and civilization.

God is with us in good times and bad, and in Haiti it is a very bad time.

We pledge to continue our efforts in healthcare, education, mediation, disaster relief, ecology and agriculture.

It is our duty and our privilege, and we remain grateful for your help, which is essential for our work.

THANK YOU! MAY GOD BLESS YOU!
